## Mid-Term 2 2014 - OOSH Newsletter

### Vacation Care

We have a very exciting upcoming Vacation Care program! Our program will range from creative art days and inspirational dance to discovery and cultural experiences. Please ensure that you have your booking completed online by Friday 20<sup>th</sup> June to ensure you will not be charged the late booking fee.

### Sports Gala Day

We run an Active kids program two days a week. This term we have been playing Soccer on Tuesday afternoons. Active kids is run by a coach from Sports Kick-start called Annaliese. The Active Kids after-school care program has invited our OOSH to participate in a Gala Afternoon where we will be competing in Soccer games against other After School Centres within the Ryde area. We will be travelling by bus to Ryde East OOSH on Tuesday 17<sup>th</sup> June to participate in this event. All children are to attend, so if they have extra-curricular activities outside of OOSH on this afternoon please talk with Emma to arrange possible alternatives. A permission note is requested and can be filled out; these are available at the centre. Please call the Centre if you have any inquiries about this afternoon.

### OOSH resources

As you know, children always love to be creative in their art and craft! We ask that if you have any bottles, lids, cardboard boxes or other items which could be useful for craft, that you please keep them for our centre. We would greatly appreciate this, especially for our upcoming Vacation Care. Feel free to drop them at the Centre any time.

### News from Emma

The time has come for me to move on from my Director role at OOSH. I have been at the centre for 6 years and have experienced the great joys of watching some children grow from Kindergarten to Year 6. I have recently completed my teaching degree and would like to follow a teaching career. I have thoroughly enjoyed working here. This centre has been such a significant part of my life. I will miss everyone very much and have many memorable moments of the children and the families at the Centre. I will be here until the end of Vacation Care, so plenty of time to say goodbye. At present, the OOSH Parent Committee are looking to hire a new Director to take on the role. We also say goodbye to Mikaela for a short while as she goes to Europe; she will be back at OOSH Week 3 Term 3.

Thank you, The OOSH Team
